

DANDIYA CELEBRATION

With an aim to blowout the fragrance of joy, happiness and togetherness, D.Y. Patil Institute of Management celebrated the **Dandiya Festival** with all the students and members of the institute on 12th October 2018. Following the trend of Dandiya which is traditionally a folk dance of Gujarat, our campus was made to look like a mini Gujarat on the day with all the students well traditionally dressed tapping their feet's on the Garba songs and playing Dandiya with all their jolly featuring moods wrapped into the celebration mood.

A beautiful eye catching program was organized. This occasion was graced with the presence of the special team from “**BOYS 2**” movie who rocked the floor with their amazing dance performances and created an environment of super excitement among our extra enthusiastic students.

The event attracted the participants from the other departments as well. The evening started with much shine and shimmer as the traditional attire mesmerized the day with all the warm and beautiful colours. The complete atmosphere of D Y Patil Campus was turned overwhelming and everyone was drenched into the love of the folk dance.
