

## REPORT OF GUEST LECTURE ON LEADERSHIP

On 13th October 2018, a guest lecture was conducted for first Semester MBA students on the topic “Leadership- types, models and its influence”. The speaker for the session, **MR. SUDHIR SANT**, who introduced the students to the concept of leadership and its importance in professional life of the individual. He demonstrated how leadership is important factor in making an organization successful. It is the art of influencing people to perform assigned tasks willingly, efficiently and proficiently. Without leadership and effective communication a manager simply cannot be effective. Leadership skills of the managers change prospective into reality.

Before the delivery of his speech, a student from first semester welcomed him with a wonderful introduction about his experience and knowledge. Our honorable director Dr. Varsha Bihade welcomed him and felicitated with a bouquet and a token of gratitude.

He had an interactive session with the management students on various topics related to organizational behaviour, leadership, and organizational change. He introduced new concepts to the students reflecting the emerging industrial trends which can help them sustain in the current market and believe in the different leadership styles adopted by the famous entrepreneurs in and outside the country.

The lecture basically focused on leadership and the key factors that are required to become a leader. Before talking on leadership he started the discussion saying that individuals are the owners of their own life. If you want your life to be wonderful, it is your accountability to mould and fold it in the way you want.

The session lasted for 3 hours which benefitted the students on a higher level changing their perception towards the industrial trends and making them aware of the new concepts. The complete crowd congratulated and appreciated the time he had spent with the students sharing his treasure of knowledge and making the students enlightened with all the new diversions of professional life.
