

**REPORT OF ONE DAY TRIP TO RAIGAD FOR MBA STUDENTS OF
D.Y.PATIL INSTITUTE OF MANAGEMENT, AMBI – 2018**

That was an auspicious day - our trip to Raigad in Maharashtra. The Day Event was organized as a part of Extra-curricular activity by D. Y. Patil Institute of Management, Ambi on 27th January 2018. Students have participated in a very lively and enthusiastic way which showed their leadership skills and unleashed their hidden team work potential. Raigad is famed as the erstwhile capital of Chathrapati Shivaji. The rich heritage, rocky terrain and ancient monuments are a few factors that make Raigad a must-visit travel destination. Raigad also serves as a major getaway for various travel themes such as hill stations, rock climbing, forts, palaces, lakes, etc. The natural splendor along with architectural marvel wins the heart and leaves awestruck.

The event was organized by the MBA 1st year students and almost 40 students participated in this trip. This event included more of adventuring such as rope way climbing, sight-seeing, and much more of physical activities. The main attractions in Raigad for the students were the fort, lakes and temples which made the trip worth watching. Different food arrangements and comfortable travelling vehicles had been arranged by the students to make this trip more exotic and distinct.

The magic of field trip is not just the subject. It's the break in routine and adventure that opens up students mind to new things. Students enjoyed the field trip as different activity where they learned about the importance of the nature. Also at Raigad students enjoyed the Management games from which they realized the importance of Team Work, Time Management & Trust building.

The contribution made by the students as well as the faculties made this event successful.
